

PAUL KLAHN
DIRECTOR, CONSULTING SERVICES

Paul joined FishNet Security in 2000, after 10 years in local law enforcement, where he served as a police officer, detective and sergeant. Paul leads the FishNet Security Consulting Services group, offering information security consulting, assessment and response services. His varied experiences bring a unique point of view to our team, combining investigative, technological and business case perspectives.

A Certified Information System Security Professional, Paul is a graduate of Iowa State University with a BBA in Management Information Systems. He is past president of the High Technology Crime Investigators Association, Mo-Kan Chapter, and is active in ISSA, ISACA and InfraGard, frequently speaking at trade and professional events.
